**PCS Open House History Tour with John Clayton Celebrates our "Donor Match Impact Challenge" and National Mental Health Awareness Month**

**Meet the Challenge NOW...**

**BEAT the Stigma FOREVER!**

**And join us for an Open House on May 22 at 5:30pm at the Manning House for a fascinating history tour featuring Manchester's Favorite History Host John Clayton.**

*May is National Mental Health Awareness Month*, a month designed to raise awareness of the struggles of mental illness and lessen the stigma.

PCS has been given a challenge by **Nick Soggu, past Good Samaritan Honoree and President and CEO of Silvertch**, a leading digital marketing and technology agency. Nick will **match gifts up to \$5,000**. Together we can beat the stigma of mental health. We are very grateful of Nick's generous

offer but need *you* to help. All proceeds of the funds raised will help PCS increase

our services by building capacity to add new staff, to meet the increasing demand for quality services for children and families of people struggling with addictions, broken relationships, and struggling individuals.

[DONATE NOW](#) directly through our secured website or by calling PCS at 627.2702 x 110.

In addition to May's fundraising efforts we invite you to join us on **May 22 from 5:30pm to 7:30pm for an Open House.**

**John Clayton**, will be sharing historic stories of our wonderful and beautiful home, the

***Manning House***. John is the Executive Director of the Manchester Historic Association and Millyard Museum. His love of writing, history and New Hampshire inspired him to pursue a career in journalism, which began at the New Hampshire Union Leader.

**John Clayton**

He spent 25 years there as a reporter and columnist, authoring seven books about Manchester and New Hampshire along the way. John's "In the City" column was a fixture on the front page of the Union Leader for more than 20 years and won numerous awards, including best local column from the New England Associated Press News Executives and "Best Local Author" from the readers. John is also a past PCS Good Samaritan Award Honoree.
