PCS is pleased to bring to you a seminar about Narrative Leadership presented by Rev. Kelli Walker-Jones.

There are few places where we can tell and explore the unedited stories of our work and life. Narrative peer groups invite such reflection. These groups cultivate an environment of trust, curiosity and relentless optimism through practices of curious questions, seeking an alternative narrative and utilizing engaged listeners. You will be invited to tell stories and practice the elements of a narrative clergy group. You will also learn the narrative case presentation model.

and Judicatory leaders: 9:00am-12:00pm***
